

SCRUBBER
DRYER

SMART. POWERFUL.

ARA 100 | BM 200

columbus

SMART. POWERFUL.

**SUPERB QUALITY, VALUE AND COMFORT.
EVERY DETAIL PERFECTLY CONCEIVED.**

With its unparalleled combination of a highly robust build, superb user comfort and low overall costs, our 200l machine is the ideal heavy-duty solution for cleaning large areas.

MAXIMUM POWER FOR LARGE AREAS

Boasting a powerful motor, extremely long battery life, high theoretical coverage and an incredible ability to climb 20 percent inclines thanks to its all-wheel drive function, the ARA 100|BM 200 is just the type of powerful machine needed for large areas.

Available in a disc-brush or cylindrical-brush model, it can be equipped with a wide variety of fittings so that it is perfectly tailored to any application – whether in industry, parking garages, logistics, malls or communal spaces.

STANDARD FITTINGS

SPRAY GUN

For cleaning the recovery tank, for example

SECURITY KIT

Rotating beacon for maximum safety during operation

COMFORTABLE SEAT

Individually adjustable, ergonomic, includes armrests

DEBRIS CONTAINER

Stainless steel container that can be removed without tools for easy cleaning

QUICK-FILL CONNECTOR

Fill the solution tank quickly and cleanly

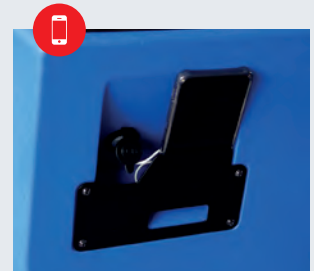

REAR IMPACT PROTECTION

Highly resilient steel protection for the rear

FRONT LED LAMP

For optimum visibility (and thus safety) during operation

MOBILE PHONE CHARGING STATION

Convenient tray with integrated USB charging point

OPTIONAL ADD-ONS

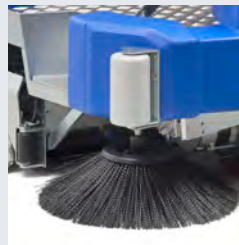

MANUAL SUCTION TOOL

Thorough cleaning, even in difficult areas

ALL-WHEEL DRIVE

For inclines of up to 20 percent. Ideal for parking

ROTARY SIDE BRUSH

For perfect brushing results close to edges

CHEMICAL DOSING

Eco-friendly and budget-friendly

FRONT IMPACT PROTECTION

Highly resilient steel protection for the front

UNBEATABLE.

MORE THAN JUST A STRONG MACHINE: AN UNBEATABLE OVERALL PACKAGE!

Even the best scrubber dryer is only a good investment if it combines high productivity with low overall costs. The ARA 100|BM 200 follows the columbus 4EFFICIENCY principle and ticks every box in the areas that matter:

01 PURCHASE

Excellent value for money thanks to extensive array of standard fittings plus many appealing extras.

02 PRODUCTIVITY

High operating speed, long service life, electronic chemical dosing and much more – everything is designed for productivity and conserving resources.

03 MAINTENANCE

Low-maintenance design, robust build, extremely hard-wearing.

04 SERVICE LIFE

A real columbus machine, made in Germany, built to last – outstandingly sustainable and cost-effective.

"With the ARA 100|BM200, we want to offer our customers the most efficient solution for large areas. Book a demonstration and see for yourself!"
